PETITION TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

We, the undersigned residents of Canada, most humbly draw the attention to the House of Commons to the following:

We your petitioners most humbly pray on behalf of the people of Canada that, in review of Genesis 1:26, dominion principles be added to the Constitution of Canada, to transcend our present Constitutional Monarchy and government by creating a Liberal Representative Direct Democracy to govern Canada, created by and consisting of the people of Canada, with an educated Jury to assist the people in understanding the laws and governing process.

Therefore we pray that the citizens of Canada own the Country and the Country does not own the people.
